

PASSAP E8000 Designers

 wpe18.jpg (2966 bytes)

-
- The beauty of this machine is that you do not need to be proficient on a knitting machine to use it as it gives you all the instruction you need to operate it.
 - Ideal for producing fabric samples of your design.
 - Professional soft ware available. You can design in the programme or import from all the major art packages.
 - Quickly produce the same design in different colours or yarns also textures in one long strip.
 - Produce unique fabrics
 - Produce unique garments, Furniture fabrics or through overs.
 - Knit in filament, shape and bake and have permanent structures (hats etc)
